YOU MAY BE ASKING WHO IS CORA?

Cora is the granddaughter of Pat & Sal Corrao; she was diagnosed with stage 4 neuroblastoma, a cancer of the central nervous system.

WHAT IS CORA'S GIVING FUND?

CGF helps build awareness and raises funds for pediatric cancer research at Orlando Health Arnold Palmer Hospital for Children. Thanks to our generous supporters, since 2017 we have raised over **$180,000!**

Donations help to find a cure and less toxic treatments for childhood cancers. This year we're hoping to exceed last years goal of **$30,000.** Please help us to meet this goal and continue our mission for pediatric cancer research.

Join us and be a part of our team!

To honor Cora you can wear her favorite color, PURPLE!
